A minimalist line drawing of a champagne bottle on the left, tilted upwards. The bottle has a red ribbon around its neck and a red watercolor splash on its body. The word "champagne" is written in a cursive font on the lower part of the bottle. Above the bottle, numerous small circles of varying sizes represent bubbles rising from the neck. At the top of the bubble trail, a small, simple line drawing of a champagne glass is shown, tilted as if catching the bubbles. The entire scene is set against a light pink background.
