Ship Hat

Directions:

For all of our Thanksgiving hats, we suggest placing appropriate sized bands on your child's head before placing the decorative pieces on. Make a small marking of where the band fits snug, then tape or glue where indicated before placing on the child.

1. To create the ultimate Mayflower replica, start by coloring your ship and waves!
2. Once colored, cut out the ship and the waves.
3. Fold the smaller waves up, and place the ship body in the crease. Glue the ship body and smaller waves in place, this will be the front of the hat.
4. Then for the sails, insert a straw through the holes located on the two sails, and then attach your assembled sail to the back of the ship body.
5. You can make as many sails as you'd like. Then tape or glue a flag on top!
