

Scarecrow Hat

Directions:

For all of our Thanksgiving hats, we suggest placing appropriate sized bands on your child's head before placing the decorative pieces on. Make a small marking of where the band fits snug, then tape or glue where indicated before placing on the child.

1. To recreate this adorable scarecrow hat, color and customize how you'd like.
2. When assembling, choose the perfect hat and buttons to go with your scarecrow, along with patches for his outfit.
3. The small rectangles are used to create the "straw" for his arms and legs.
4. Once assembled, place your scarecrow on a band.
