

INDOOR *Easter Egg Clues*

for big kids

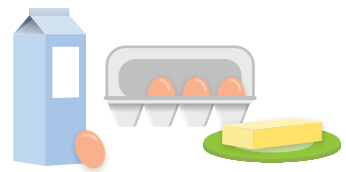

Look under where you wipe your shoes.

I am where you watch your favorite
show, and at night I like to glow.

I am always running but have no legs.
I am cold and white and always have a light.

Turn me on and you can see,
turn me off to let the night be.

I have hands but no arms, just a face
and my hands move at a steady pace.

I have a sound that goes beep, and
my main function is to heat.

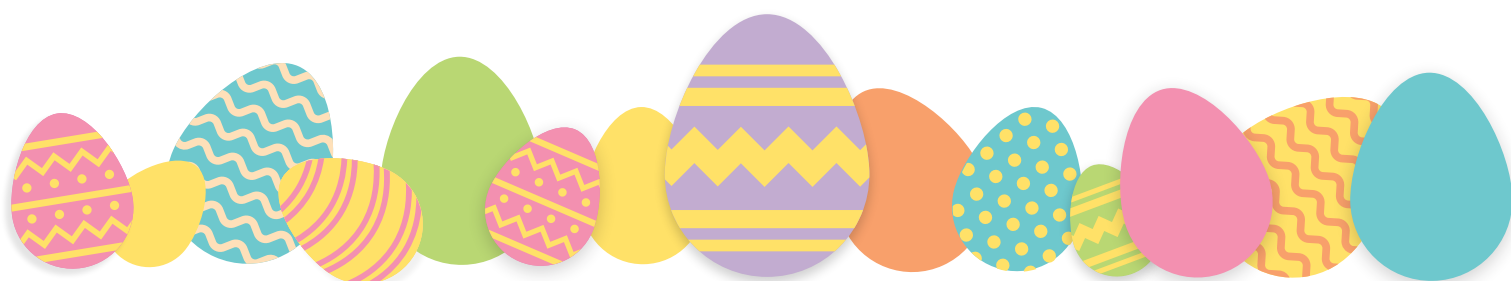

Keep your stinky socks in me, and
any dirty clothing that comes to be!

I'm full of paper and ink, but I am
not a book like you might think.

I am under the place where your head
rests, after a long day of takings tests.

Go out with a bang and find your last
clue in the place your clothes hang.

INDOOR *Easter Egg Clues*

for little kids

Find me in the kitchen,
I'm a large cold appliance.

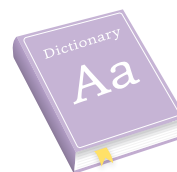

I am where you put your clothes,
on the most bottom shelf.

I make a ticking sound and tell you the time.

I make a beeping sound
when your food is done.

Find me when you need to
know how to spell a word.

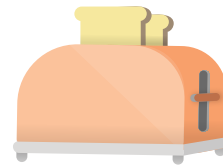

I hold the books you like to read.

Check the item that you put
on your feet to go outside!

You put bread in me, and it
comes out nice and crispy.

I wash your clothes and
go around and around.

I turn on when you want to
watch your favorite show.
